Ayn Rand's Anthem: The Graphic Novel By Charles Santino, Ayn Rand

The controversial classic work of one individual's will versus the subjugation of society-now available as a compelling graphic novel.

In all that was left of humanity there was only one man who dared to think, seek, and love. He, Equality 7-2521, would place his life in jeopardy. For his knowledge was regarded as a treacherous blasphemy. He had rediscovered the lost and holy word... "I".

Editorial Review

From Publishers Weekly

In a future where misguided egalitarianism has reduced a once-vibrant civilization to a handful of doctrinaire serfs living in the rubble of what once was, Equality 7-2521 rejects the mindless collectivism of his people to embrace individuality. His curiosity about the mysteries of the past is anathema to those selected to rule; Equality's rejection of his assigned menial role is if anything an even greater affront to his master. Forced by the lesser men around him to flee, Equality and his lover, Liberty 5-3000, find refuge in a conveniently preserved chalet, free to rediscover eternal truths suppressed by their totalitarian forefathers. Adapted from Rand's 1938 novella, Staton's art is oddly crude for such a veteran artist, but oddly well suited for Rand's clumsy, hectoring story. The product of a time when authoritarian regimes seemed destined to prevail, written by a refugee from the Russian revolution, *Anthem* might have been a valuable reminder of what happens when ideology trumps humanitarian concerns, but sadly, Rand was not up to the task; Santino and Staton do what they can with this dismal tribute to egotism, but the result is still a hard slog. (Feb.)

About the Author

Charles Santino is a writer and packager of comic books and graphic novels through his studio Marshall Holt Entertainment, LLC.

Born February 2, 1905, **Ayn Rand** published her first novel, *We the Living*, in 1936. *Anthem* followed in 1938. It was with the publication of *The Fountainhead* (1943) and *Atlas Shrugged* (1957) that she achieved her spectacular success. Rand's unique philosophy, Objectivism, has gained a worldwide audience. The fundamentals of her philosophy are put forth in three nonfiction books, *Introduction to Objectivist Epistemology*, *The Virtues of Selfishness*, and *Capitalism: The Unknown Ideal*. They are all available in Signet editions, as is the magnificent statement of her artistic credo, *The Romantic Manifesto*.

Users Review

From reader reviews:

David Munsch:
