Feminist Security Studies: A Narrative Approach (PRIO New Security Studies) By Annick T. R. Wibben

This book rethinks security theory from a feminist perspective – uniquely, it engages feminism, security, and strategic studies to provide a distinct feminist approach to security studies.

The volume explicitly works toward an opening up of security studies that would allow for feminist (and other) narratives to be recognized and taken seriously as security narratives. To make this possible, it presents a feminist reading of security studies that aims to invigorate the debate and radicalize critical security studies. Since feminism is a political project, and security studies are, at their base, about particular visions of the political and their attendant institutions, this is of necessity a political intervention. The book works through and beyond security studies to explore possible spaces where an opening of security, necessary to make way for feminist insights, can take place. While it develops and illustrates a feminist narrative approach to security, it is also intended as an intervention that challenges the politics of security and the meanings for security legitimized in existing practices.

This book provides develops a comprehensive framework for the emerging field of feminist security studies and will be of great interest to students and scholars of feminist IR, critical security studies, gender studies and IR and security studies in general.

Editorial Review

Review

'This book lucidly articulates a narrative feminist approach in critical security studies and offers a constructive research strategy for studying contextual security narratives.' -- *Xymena Kuroswka, European Security*

'.. an important theoretical contribution to debates over the politics and practices of security. Wibben offers the first full volume outlining the productive possibilities of integrating narratology and security studies and as such this book deserves to be taken seriously, read widely and cited often.'-- *Laura J. Shepherd, International Feminist Journal of Politics*

'Wibben's book is a renewed wakeup call for security studies scholars caught in the epistemological and methodological traps of the field.' -- *Megan H. MacKenzie, Journal of Contemporary European Studies*

'Given the sustained engagement with a narrative approach to IR, this book should be widely adopted in graduate International Relations, International Security and Gender studies courses, where stimulating research and innovative doctoral projects will likely be sparked by it.' - *Maria Martin de Almagro, e-IR*

Users Review

From reader reviews:

Frances Norman:

Typically the book *Feminist Security Studies: A Narrative Approach (PRIO New Security Studies)* has a lot associated with on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. Tom makes some research ahead of write this book. This specific book very easy to read you can find the point easily after perusing this book.

Brandy Greenawalt:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book had been rare? Why so many problem for the book? But virtually any people feel that they enjoy to get reading. Some people likes examining, not only science book but in addition novel and Feminist Security Studies: A Narrative Approach (PRIO New Security Studies) or even others sources were given knowledge for you. After you know how the good a book, you feel desire to read more and more. Science reserve was created for teacher as well as students especially. Those books are helping them to include their knowledge. In some other case, beside science reserve, any other book likes Feminist Security Studies: A Narrative Approach (PRIO New Security Studies) to make your spare time considerably more colorful. Many types of book like this one.

Jeffrey Paolucci:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Feminist Security Studies: A Narrative Approach (PRIO New Security Studies) can make you sense more interested to read.

Salvador Swain:
