Forgive Me If I've Told You This Before By Karelia Stetz-Waters

Shy, intellectual, and living in rural Oregon, Triinu Hoffman just doesn't fit in. She does her best to hide behind her dyed hair and black wardrobe, but it's hard to ignore the bullying of Pip Weston and Principal Pinn. It's even harder to ignore the allure of other girls. As Triinu tumbles headlong into first love and teenage independence, she realizes that the differences that make her a target are also the differences that can set her free. With everyone in town taking sides in the battle for equal rights in Oregon, Triinu must stand up for herself, learn what it is to love and have her heart broken, and become her own woman.

Editorial Review

From School Library Journal

Gr 10 Up—It's 1989, and the state of Oregon is attempting to pass legislation against gays, and Triinu Hoffman's high school principal makes no secret about how he feels on the issue. The teen knows she is a lesbian, understands that she might be up for a challenge. Classmate Pip Weston has bullied her for years, but she doesn't let that stop her from continuing to discover who she is. The principal does not make it easy for Triinu and neither do the girls she encounters in her quest for companionship. This is a true coming-of-age novel that is open and honest as relationships develop between Triinu and several love interests. High schools will not be able to keep this book on the shelves as it intertwines a variety of issues and challenges that teens endure. There are some sex scenes as the protagonist develops relationships with different young women and strong language that is organic to the situations in which they occur. Adult characters are real with strong opinions for and against the gay population; Triinu's parents are presented as a major part of her support system. A good discussion starter for mature teens.—Karen Alexander, Lake Fenton High School, Linden, MI

Review

Take a deep breath. Step back twenty years to a virulent antigay political campaign, when being queer meant being branded a pariah and an abomination. Walk with Triinu, a shy and achingly honest girl who tries to navigate love and friendship, hold to her faith, and accept her draw to other young women. At the end of the road, you'll thank author Karelia Stetz-Waters for this bold and lucid story that is compelling, compassionate, and leavened with humor. Stetz-Waters dedicates her book to "queer kids everywhere," but you needn't be queer or a kid to appreciate *Forgive Me If I've Told You This Before*. - Ruth Tenzer Feldman, Oregon Book Award-winning author

(School Library Journal)

Smartly set in a dangerous time, when the politicizing and normalizing of a virulent homophobia was gripping Oregon, a teen must find the audacity to simply be who she is. Stetz-Waters has drawn a genuine young heroine who reminds us, not without humor, that small acts of courage move the world forward. - Heather Lyn McDonald, director of the documentary film *Ballot Measure 9*

(Heather Lyn McDonald)

I absolutely loved this book. I cried my eyes out, so touched and amazed to read something that so closely echoed my own adolescence... The injustice and fear that homophobia unleashes on society's young people has twisted so many coming-out stories into ones of tragedy. I will cherish *Forgive Me* and its message of kindness and hope while cheering the trailblazers who came before me; in their simple acts of defiance and love, they have changed the world. - Sara Quin, of Tegan and Sara

(Sara Quin)

About the Author

Karelia Stetz-Waters is the author of the novel *The Admirer* and the serial novel *The Eastbank Killer*; her work has also appeared in *Calyx* and *First Time: An Anthology of Lost Virginity*. She holds a master's degree in English from the University of Oregon and a bachelor's degree in Comparative Literature from Smith College. A member of Willamette Writers and the Gold Crown Literary Society, Karelia teaches technical writing and English composition at Linn-Benton Community College. She lives in Albany, Oregon, with her wife, Fay, their pug, Lord Byron, and their cat, Cyrus the Disembowler. Having grown up during the violent political debate surrounding Oregon's infamous anti-gay Ballot Measure 9, Karelia's first young adult novel, *Forgive Me If I've Told You This Before*, is loosely based on her own experiences of growing up gay in Oregon in the early nineties.

Users Review

From reader reviews:

Crystal Dewitt:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make these keep up with the era and that is always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice for you but the problems coming to anyone is you don't know what type you should start with. This *Forgive Me If I've Told You This Before* is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Beth Kelly:

Don't be worry when you are afraid that this book will filled the space in your house, you could have it in e-book technique, more simple and reachable. This specific *Forgive Me If I've Told You This Before* can give you a lot of good friends because by you investigating this one book you have thing that they don't and make you more like an interesting person. That book can be one of one step for you to get success. This e-book offer you information that might be your friend doesn't recognize, by knowing more than other make you to be great individuals. So , why hesitate? Let us have *Forgive Me If I've Told You This Before*.

Sarah Heath:

Do you like reading a publication? Confuse to looking for your best book? Or your book has been rare? Why so many problem for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but in addition novel and *Forgive Me If I've Told You*

This Before or perhaps others sources were given knowledge for you. After you know how the truly amazing a book, you feel desire to read more and more. Science publication was created for teacher or even students especially. Those publications are helping them to include their knowledge. In other case, beside science reserve, any other book likes Forgive Me If I've Told You This Before to make your spare time much more colorful. Many types of book like this one.

William Sam:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Forgive Me If I've Told You This Before can make you experience more interested to read.
