His Contract Bride (Banks Brothers' Brides Book 1) By Rose Gordon

Edward Banks, Lord Watson has known most of his life that one day Regina Harris was to be his bride--but somebody forgot to inform her...

An avid academic and aspiring scientist, Edward is pleased to find that he won't have to bother with the nonsense involved in courting a young lady.

Young and naive, it doesn't take much for her social-climbing father to convince Regina the gentleman she's to marry has requested her hand out of love, but devastates her when she learns the truth.

Now, it's up to a gentleman who's more comfortable in a conservatory than a drawing room to prove to Regina that she's more than just the proverbial sacrificial lamb that helped gain her family their foot in Society's door and that he--if no other gentleman--is trustworthy. But he just might be the one doing the learning as he'll be forced to acknowledge that sometimes the most combustible elements aren't the ones you control, but sometimes the ones you don't.

Editorial Review

Review

Winner of 2013 Silken Sands Reader's Choice Award.

About the Author

Rose Gordon is a *USA Today* bestselling author and writer of eight bestselling, unusually unusual historical romances that have been known to include scarred heroes, feisty heroines, marriage-producing scandals, far too much scheming, naughty literature and always a sweet happily-ever-after. When not escaping to another world via reading or writing a book, she spends her time chasing two young boys around the house, being hunted by wild animals, or sitting on the swing in the backyard where she has to use her arms as shields to deflect projectiles AKA: balls, water balloons, sticks, pinecones, and anything else one of them picks up to hurl at his brother who just happens to be hiding behind her.

Users Review

From reader reviews:

Martina Joseph:

Do you have favorite book? For those who have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each guide has different aim or goal; it means that publication has different type. Some people feel enjoy to spend their time for you to read a book.
