## King of Shadows By Susan Cooper

Only in the world of the theater can Nat Field find an escape from the tragedies that have shadowed his young life. So he is thrilled when he is chosen to join an American drama troupe traveling to London to perform *A Midsummer Night's Dream* in a new replica of the famous Globe theater.

Shortly after arriving in England, Nat goes to bed ill and awakens transported back in time four hundred years -- to another London, and another production of *A Midsummer Night's Dream*. Amid the bustle and excitement of an Elizabethan theatrical production, Nat finds the warm, nurturing father figure missing from his life -- in none other than William Shakespeare himself. Does Nat have to remain trapped in the past forever, or give up the friendship he's so longed for in his own time?

## **Editorial Review**

From Publishers Weekly

"Cooper brilliantly weaves past and present together, using London's Globe Theatre as a backdrop, to demonstrate the timelessness of Shakespeare's works and the theater at large," said PW in a boxed review.

Ages 10-14. (June)n

Copyright 2001 Reed Business Information, Inc.

From Library Journal

Grade 5-8-Orphan Nat Field is chosen as part of an American theater group to perform at the new Globe Theatre in London. Nat's big role will be Puck in *A Midsummer Night's Dream*. However, his debut is pushed 400 years into the past when he is put to bed with a high fever and wakes up in Elizabethan England. Forced to adapt or be discovered, Nat figures out his situation quickly with judicious questions that result in naturally occurring explanations of the times, the plays, and the theater. The time-travel element is well constructed. Through occasional flashes to the present, readers learn that a boy presumed to be Nat is being treated for bubonic plague. Nat Field has switched places with the infected Nathan Field, who is just about to arrive at the old Globe on loan from another company-thus, thanks to modern medicine, Shakespeare and his plays are saved for the ages. Something in the boy attracts the attention of Will himself and Nat soon becomes his prot?g?. The father/son relationship between the two fills a need for Nat, whose suppressed sorrow at his father's suicide after his mother's death is finally expressed. The circumstances of his father's death and Nat's reluctance to deal with it are hinted at rather clumsily in the beginning of the book and dispatched succinctly when finally addressed, and come off as clearly secondary to the involving theater experiences. Still, Cooper's readers and fans of Gary Blackwood's *Shakespeare Stealer* (Dutton, 1998) will revel in the hurly-burly of rehearsals and the performance before the queen, the near discoveries, the company rivalries, and some neatly drawn parallels.

From Kirkus Reviews

When Nat Field, an orphan living with his aunt, is chosen for an all-boy acting troupe traveling to London to perform Shakespeare in the reconstructed Globe Theatre, he hopes it will help him escape from his family's tragedy. Instead he finds himself switched in time with another Nat Field, who carries the Plague. In the past he performs with the Bard himself, who becomes a surrogate father and helps him deal with his sorrow, while preparing to play Oberon to Nat's Puck in a performance before the Queen. Cooper is in top form here; her confident prose, at once muscular and lyrical, vividly conveys the sights, sounds, and smells of Elizabethan London. Most powerful are her descriptions of the story and imaginative staging of *A Midsummer Night's Dream*, which should have readers scurrying for the original. Her poignant characterization of Nat, whose grief is released by Shakespeare and healed by his words, captures perfectly an adolescent in thrall of the theater, in all its grittiness and grandeur. A dramatic and sensory feast. (Fiction. 10-14) -- *Copyright ©1999, Kirkus Associates, LP. All rights reserved.*

## **Users Review**

**From reader reviews:**

**William Butcher:**

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite reserve and reading a guide. Beside you can solve your condition; you can add your knowledge by the guide entitled King of Shadows. Try to make the book King of Shadows as your buddy. It means that it can to get your friend when you truly feel alone and beside that of course make you smarter than ever before. Yeah, it is very fortunate for you personally. The book makes you more confidence because you can know anything by the book. So , let us make new experience and also knowledge with this book.

**Myrtle Hamer:**

What do you about book? It is not important to you? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question due to the fact just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this specific King of Shadows to read.

**Larry Swartz:**

Your reading sixth sense will not betray you actually, why because this King of Shadows e-book written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your own personal hunger then you still uncertainty King of Shadows as good book not merely by the cover but also by content. This is one guide that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

**Cory Thomas:**

E-book is one of source of information. We can add our knowledge from it. Not only for students but in addition native or citizen have to have book to know the upgrade information of year to be able to year. As we know those guides have many advantages. Beside most of us add our knowledge, may also bring us to around the world. From the book King of Shadows we can take more advantage. Don't someone to be creative people? Being creative person must choose to read a book. Only choose the best book that appropriate with your aim. Don't end up being doubt to change your life at this book King of Shadows. You can more desirable than now.
