### Editorial Review

Amazon.com Review

*The Crab with the Golden Claws* is best known for introducing Tintin's best friend and one of the series' most memorable characters: Captain "Blistering Barnacles" Haddock. As Tintin is investigating a mysterious can of crab and a drowned sailor, he meets Haddock, a "miserable wretch" who's being kept in ample alcohol so his insidious first mate, Allan, can run a drug operation. *Crab* had to be lengthened to fit the standard 62-page format; fortunately, Hergé achieved this by, among other additions, creating four marvelous full-page spreads. --David Horiuchi

### Review

The Adventures of Tintin (also known as The Adventures of Tintin: The Secret of the Unicorn[4] in the United Kingdom) is a 2011 American performance capture 3D film based on The Adventures of Tintin, a series of comic books created by Belgian artist Hergé (Georges Remi). Directed by Steven Spielberg, produced by Peter Jackson, and written by Steven Moffat, Edgar Wright and Joe Cornish, the film is based on three of the original comic books: The Crab with the Golden Claws (1941), The Secret of the Unicorn (1943), and Red Rackham's Treasure (1944).[5]

Spielberg first acquired rights to produce a film based upon the Adventures of Tintin series following Hergé's death in 1983, and re-optioned them in 2002. Filming was due to begin in October 2008 for a 2010 release, but release was delayed to 2011 after Universal opted out of producing the film with Paramount, who provided \$30 million on pre-production. Sony chose to co-produce the films. The delay resulted in Thomas Sangster, who had been cast as Tintin, departing from the project. Producer Peter Jackson, whose company Weta Digital is providing the computer animation, intends to direct a sequel. Spielberg and Jackson also hope to co-direct a third film.[6] --Wikipedia

### About the Author

Hergé, one of the most famous Belgians in the world, was a comics writer and artist. The internationally successful Adventures of Tintin are his most well-known and beloved works. They have been translated into 38 different languages and have inspired such legends as Andy Warhol and Roy Lichtenstein. He wrote and illustrated for The Adventures of Tintin until his death in 1983.
