The Sacred Bridge: Carta's Atlas of the Biblical World By Anson F Rainey, R. Steven Notley

To meet the need for clear and accurate information, Professors Anson F. Rainey and R. Steven Notley have now come forward with an atlas that traces the course of Near Eastern history from the Chalcolithic Age (c. 3500 BCE) to the defeat of Bar Kochba's fighters and their retreat to the caves east of En-gedi. The product of close cooperation between two distinguished scholars of world renown and the knowledgeable and experienced staff of Carta, Jerusalem, this Atlas provides 300 state-of-the-art maps to show as far as possible in terms of modern knowledge the changes and historical processes that affected the lands of the Bible. Included are all historical and biblical episodes that can be depicted cartographically—migrations and settlements, battles and conquests, the location and detailed movement of individual historical and biblical characters. In addition, *The Sacred Bridge—Carta's Atlas of the Biblical World* draws on information from all known ancient sources—Egyptian, Assyrian, Greek, Roman and others—to reveal trade routes, economic determinants, and the development of international relations. Maps, many of them never before attempted, are presented chronologically, with extensive interpretive texts alongside. Finds, tools, artifacts, inscriptions and other documents from each period also appear in conjunction with the maps. The ultimate usefulness of any complex reference work depends on its index and its bibliography, and *The Sacred Bridge—Carta's Atlas of the Biblical World* provides everything that could be asked for in the way of organized assistance to the reader. Each person or site can be located. An invaluable chronological table correlates historical activity in the East (Mesopotamia and Anatolia), the southern Levant, Egypt, and the Greco-Roman West from 2800 BCE to the second century CE. The superb reference sections contain every article, book or document consulted. The extensive index contains every place name that has been mapped and, in addition, names that still defy exact location but can be shown in relation to specific biblical episodes. New Testament geography, especially that of the Gospels, is interpreted in the light of the new understanding resulting from such discoveries as the Dead Sea Scrolls (e.g., the wider use of Hebrew as a social and religious vehicle than heretofore acknowledged). These refreshing insights serve to define geographical terms used in the New Testament and trace their origin. Documents are presented in their original languages and transcribed or translated into English. A special

feature of this atlas is the insertion of these texts and their meaning within the narrative proper.

Editorial Review

Users Review

From reader reviews:

Anthony Harrison:

What do you with regards to book? It is not important with you? Or just adding material when you want something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do this. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this specific The Sacred Bridge: Carta's Atlas of the Biblical World to read.

Patricia Whitmore:

A lot of people always spent their very own free time to vacation or even go to the outside with them household or their friend. Do you realize? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you read you can spent all day every day to reading a publication. The book The Sacred Bridge: Carta's Atlas of the Biblical World it is rather good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. If you did not have enough space to develop this book you can buy the particular e-book. You can m00re easily to read this book out of your smart phone. The price is not to cover but this book offers high quality.

Richard Gary:

Precisely why? Because this The Sacred Bridge: Carta's Atlas of the Biblical World is an unordinary book that the inside of the book waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of rewards than the other book include such as help improving your talent and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the book store hurriedly.

Lorraine Vargas:

Many people spending their time by playing outside having friends, fun activity having family or just watching TV the entire day. You can have new activity to pay your whole day by studying a book. Ugh, do you think reading a book will surely hard because you have to bring the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Cell phone. Like The Sacred Bridge: Carta's Atlas of the Biblical World which is finding the e-book version. So , why not try out this book? Let's observe.
